

Dance Team Contract : **Dance** is a great way of getting involved in school but in order to function as a team these are the expectations that everyone on the team MUST follow.

1.) **RESPECT:** Dancers must be respectful of their coaches and teammates. This means being accountable for your actions, what you say and how you act. You are held to a higher standard. You represent the school and you should help promote school spirit.

2.) **Academics:** Your academics should be your first priority. If your grades drop or you find yourself struggling, you must seek help. If your grades drop significantly you will be placed on probation and will not be allowed to perform until your grades improve.

3.) **On Time Every Time:** No matter the practice or the performance you are expected to be ready to go on time. This means you are dressed and ready at the meeting place to start warm ups for practice or a performance.

4.) **Show Up and Do the Work:** You need to come to EVERY practice. If you are going to miss a practice you MUST contact one of the coaches. If you miss either or both of the last three practices before a performance you will NOT be performing. These practices are an important part of preparing and finishing routines before performances. Also you must put in the work, come prepared to workout at every practice and put forth your best effort.!

6.) **Positive Attitude:** Check any attitudes and drama at the door. Your focus during practice is DANCE. If there is a conflict with a team member please try to resolve it first with each other in a respectful manner. If you are having any issues, be proactive and talk to the coaches about what is going on.

7.) **School Spirit:** We are all family. The dance team is to support ALL. This means not talking negatively about another team member. If you don't have something positive to contribute, keep it to yourself.

8.) **Attendance:** If you are going to be absent or late you must contact the coaches. Parents are expected to pick up their child on time. Constant lateness can result in a suspension from the team, any concerns see the one of coaches before the beginning of the dance season.

9.) **Team Decisions and Responsibilities:** Any decisions regarding the team will be consulted by the coaches. The coaches will make all final decisions regarding any or all matters.

General Consequences: - Warnings (you should only need one reminder or warning) - Sit Out of Practice - Temporary Probation: These consequences are short term. Probation means you will be missing out on the next performance. This consequence is for behaviors like tardiness, an unexcused absence, or exhibiting a poor attitude. Long Term Probation: This consequence means that you will not be performing until further notice. You are placed on this probation until you can prove a consistent change in your behavior. - Dismissal from Team: If you exhibit a consistent pattern of misbehavior and have already gone through the other consequences you

will be asked to leave the team. The only exception is for a severe infraction, which would force an immediate dismissal. (Hopefully we will never get to this point.)

*******Please return before first practice***
